

Reviewing your drug and alcohol policy: Feedback form

We welcome your feedback on our toolkit, which we will be able to adjust in future to reflect the needs of schools.

What is your overall view of the toolkit?

Were there any parts you found particularly useful?

Was there anything you would change?

Did you have any questions that weren't answered?

Would you recommend it to another school?

Any other comments?

Please return this form to the address below or by email to resources@mentoruk.org
